

VMFW Farmland Bird Survey Recording Form

Date: _____ Survey no. (1 or 2): _____ Recorder Name: _____

Farm code: _____ Farm name: _____ County: _____

Start time: _____ Finish time: _____

This is a list of birds you might see on your surveys. However, it is not a comprehensive list, so please add any extra species you find on your survey to the bottom of the list and include them in your results.

* Denotes species of interest, coloured red, amber or green, according to their BoCC conservation status. These species should also be mapped. The asterisk allows the form to be photocopied or printed in black and white.
